

Jum San Valentin

Maria Grech Ganado

Ann Marie Schembri - Claire Zerafa
Skola St Joseph, Tas-Sliema

X'inhil-kelma qed tirtogħod
hemm fuq ix-xefaq ta' dan il-jum?
Mhijiex ballun, ħafif u lest
għal-logħob. Pjuttost xi balla
li din l-għodwa qiegħda tistenna
l-kanun ta' ħalqi, lil qalbi
mkebbbsa b'rabja liema bħalha -
tistenna l-isfog.

A young girl with long dark hair, wearing a vibrant red dress, is crouching on a dark, wet, and reflective surface. She is holding small, light-colored objects in her hands, which are positioned in front of her. The background is a dark, textured surface with some water droplets and ripples. The overall mood is contemplative and artistic.

Mela llum sejra npittirlek
kartolina, u nħazzizilha
l-kuluri li jixirqulha:
iswed duħħan bħal moħħi
aħmar nar bħal demmi jbaqbaq -

ja traditur
ma xbajtx tirregettani minn go
hajtek!

Ha mela ilqa' u ibla'
dil-balla li rrid naqla' jien
minn fuq l-istonku.

Ibla' u ilqa'

A black and white photograph showing a silhouette of a hand holding a heart-shaped balloon. The background is dark with bright, out-of-focus light spots (bokeh).

U jekk tista'
itfagħhieli lura
qisha ballun.
